MARKING A MILESTONE

GREETINGS OF ORGANIZER

Sergey Feofilov
General Director
UkrAgroConsult

Dear Colleagues and Friends,

On behalf of the organizing team, I am pleased to welcome you to **BLACK SEA OIL TRADE in Bucharest**. This is already the third time that **UkrAgroConsult** is hosting the international forum in Romania's capital, and we are deeply grateful to Bucharest for warm hospitality.

The oilseed market in the Black Sea–Danube region is undergoing rapid transformation, shaped by both global and local drivers—geopolitical risks, logistics challenges, shifting trade flows, and new import models that are redefining prices and destinations for sunflower oil, meal, rapeseed, and soy. This year also brings heightened uncertainty in commodity quality, adding another layer of complexity to the market.

We extend our sincere thanks to our Distinguished Sponsors, Guests, Partners and Delegates for continued trust and support.

Let us use this Conference to build new contacts, advance trade opportunities, and deepen our understanding of price outlooks, strategies, and execution for the 2025/26 season.

Welcome—and let's get to work!

GREETINGS OF SILVER SPONSOR

Vaja Jhashi
CEO and Founder
Trans-Oil Group

Dear Delegates,

It is my pleasure to welcome you to the 11th International Conference **BLACK SEA OIL TRADE-2025**. This conference brings together industry leaders, traders, and policymakers to discuss the evolving oilseed and vegetable oil markets, supply chain efficiency, and opportunities for collaboration.

At **Trans-Oil Group**, we are proud to contribute to the region's development with our crushing, refining, and logistics operations across Moldova, Romania, and Serbia. Today's market challenges—shifting trade flows, regulatory changes, and climate risks—demand innovation and cooperation.

Your active participation is key to shaping solutions, forging partnerships, and building resilient, competitive markets. I wish you productive discussions, valuable connections, and a successful conference.

UKRROS-TRANS.COM.UA

We offer reliable freight logistics solutions and a high level of service, tailored to the needs of each client.

A wide selection of freight wagons is available for hire, including tank wagons, open wagons, covered wagons, flat wagons, cement wagons, and grain hoppers. All rolling stock undergoes regular maintenance and is ready for operation.

We provide international road haulage, ensuring timely and consistent delivery. Our fleet consists of modern tractors and specialised food-grade tankers that meet European cargo transportation and safety standards.
